

# **Euceet III Management Committee meeting in Zilina, 26. Oct. 2009**

## **Working Group G**

“Making the European civil engineering education  
better known and more attractive outside Europe”

Prof. Dr. Carsten Ahrens  
FH OOW and ZDI, Germany  
World Council of Civil Engineers (WCCE)

# Remaining Activities in 2009

**Just one: Finishing the final report!**

But what to put in?

Twenty (20) pages shall be filled!

And this till the „Finale Grande“ in Paris!

Fachhochschule  
University of Applied Sciences

Oldenburg  
Ostfriesland  
Wilhelmshaven

Prof. Dr. C. Ahrens FH OOW

# Content of Contribution to final book

1. Website
2. Classical ways of distribution
  - 2.1 meetings with professional bodies
    - nationally
    - on a European platform
    - worldwide
  - 2.2 meetings with (partner) universities
    - as above

# Content of Contribution to final book

## 2.3 Erasmus Mundus Experience by questioning

- the co-ordinators/co-ordinating universities
- the invited foreign students

## 2.4 Asking own questions like

- why should we do that?
- what do we offer that is specific to us in Europe?
- how do we differ?
- are there other self-investigating questions?

# Content of Contribution to final book

As Chairman and thus responsible for the final report of WG G I like to have your honest and helpfull additional comments of each kind.

Thank you very much!

By the way: We are now Jade Hochschule!  
No longer FH OOW!
